<b>AppStrap 5(S)</b>	AS-5(S) / 700220232310	The AppStrap 5(S) has the same features as the AS-5 (below) but has a smaller clip strap to fit smaller cases, such as the iPad mini in an OtterBox case. The clip strap is designed to fit securely across cases that are approximately 5-6 inches wide and .7 inches (or less) thick. The AS-5(S) comes with a leg strap with pen holder, clip straps and 1 Tilt Pad for angled up viewing, device cooling, and enhanced stability.	\$44.95
<b>AppStrap 5</b>	AS-5 / 700220232297	The AppStrap 5 fits heavy-duty and military cases like the OtterBox, Survivor, and Gumdrop, or cases .7 inches (or less) thick. The AS-5 uses two form-fitting black polycarbonate clips and comes with an adjustable leg strap with pen holder, and 2 Tilt Pads for angled up viewing, device cooling, and enhanced stability. The AS-5 has a clip strap that is designed to fit securely across cases/devices that are approximately 8-10 inches wide, such as the iPad Air.	\$44.95
<b>AppStrap mini Gen 5</b>	AS-gel case for the iPad mini Gen 5 (latest version) / 70022023227	The AppStrap for the Mini Gen 5 has the same features for the prior gen iPads. The AS-Mini 5 has a gel case that securely fits the new form factor, ports and plugs. The AS-gel Mini 5 comes with a gel case, adjustable leg strap with pen holder, and 1 Tilt Pad for angled-up viewing, device cooling, and enhanced stability.	\$39.95
<b>AppStrap mini Gen 4</b>	AS-gel case for the iPad mini Gen 4 / 700220232303	The AppStrap for the Mini Gen 4 has the same features for the prior gen iPads. The AS-Mini 4 has a securely fitting gel case designed for the mini 4's new form factor, ports and plugs. It comes with an adjustable leg strap with pen holder, and 1 Tilt Pad for angled up viewing, device cooling, and enhanced stability.	\$39.95
<b>Conversion Kit</b>	AS-CK / 700220232273	For tablet users who prefer to use their own case. Kit includes a 4.5 x 2 inch piece of Velcro (self-adhesive) to affix to the back of a case; leg strap with pen holder, and 2 Tilt Pads for angled-up viewing, device cooling, and enhanced stability.	\$29.95
<b>AppStrap Air</b>	AS-gel for the iPad Air / 700220232327	The AS-Air, like the AppStrap for the iPad Mini, uses a durable, secure form-fitting gel case and Velcro strip. It includes an adjustable leg strap with pen holder, and 2 Tilt Pads for angled-up viewing, device cooling, and enhanced stability.	\$39.95
<b>AppStrap iPad Gen 2/3/4</b>	AS-gel case for iPad Gen 2/3/4 / 700220232266	The AS-Gel 2/3/4, uses a secure, form-fitting gel case and Velcro strip. It also includes an adjustable leg strap with pen holder, and 2 Tilt Pads for angled-up viewing, device cooling, and enhanced stability.	\$39.95
<b>AppStrap mini Gen 1/2/3</b>	AS-gel for iPad mini Gen 1/2/3 / 609456307789	The AS-Mini (Gen 1, 2, 3) is designed around a secure, form-fitting gel case that has a Velcro strip on the back for attachment the adjustable leg strap with pen holder. It uses the same hand-sewn leg strap and buckle as the AS-5s and includes 1 Tilt Pad for angled-up viewing, device cooling, and enhanced stability.	\$39.95
<b>AppStrap Tilt Pads</b>	AS-TP / 700220232280	Velcro attachable pads/wedges to provide tilt up for better screen viewing, device cooling, and enhanced stability. 2 Tilt Pads come with a piece of self-adhesive Velcro.	\$15.95
